Professional Summary

- Passionate Full Stack Developer with hands-on MERN stack experience
 - Skilled in building dynamic, responsive web apps and scalable backend APIs
 - Eager to grow technically, contribute to innovative projects, and learn in a team-driven environment
-

Internships

ITI (Information Technology Institute)

Dec 2024 – Apr 2025

- Built full-stack web apps using React, Angular, Next.js, Node.js, Express, NestJS, and MongoDB
- Created responsive UIs with HTML5, CSS3, Bootstrap, and Material UI
- Developed scalable REST/GraphQL APIs, tested with Postman, and followed best practices in Git, auth, and deployment

• Projects

TechShop — Laptop E-Commerce Platform

Jan 2025 - Mar 2025

- Skills: Angular, Bootstrap, Material UI, Node.js, Express, MongoDB
- Built a responsive furniture store with Angular, Material UI, and Bootstrap.
- Developed backend APIs with Express.js and MongoDB for products, users, and orders.

CineVerse — Movie Streaming Website

Feb 2025 - Apr 2025

- Skills: React, Bootstrap, Material UI, Node.js, Express, MongoDB
- Developed a responsive movie streaming platform with React, Material UI, and Bootstrap.
- Managed data with Express.js and MongoDB; implemented secure JWT authentication.

Full-Stack Web Development Diploma at SEF Academy

Sep 2023 – Mar 2024

- Helped build and maintain client websites with a focus on performance and compatibility
- Assisted front-end development using HTML, CSS, JavaScript, and Bootstrap
- Gained experience with agile workflows, code reviews, and debugging with senior devs

Projects

Subscription Management System API

Mar 2025

- Skills: Node.js, Express, MongoDB, JWT, Arcjet
- Built a high-performance backend with MongoDB and Mongoose to manage subscriptions, featuring robust middleware and scalable schemas.
- Secured APIs using Arcjet for rate limiting and bot protection, with JWT-based authentication and clean authorization.

Professional Experience

Ebdaa — Environmental Consulting Website

Jul 2024 - Dec 2024

- Skills: React.js , Redux , Bootstrap 5
- Developed a responsive homepage for Ebdaa’s environmental consulting services, ensuring accessibility and optimized load times across devices.
- Implemented clear navigation and interactive sections for services, enhancing user experience and engagement.
